

TD 7

WRITING SCIENTIFIC TEXTS

Question:

- You have the following words:
 - Mites (Acari)
 - Application
 - Control
 - Dermatoses
 - Ectoparasite
 - Host
 - Adult
 - Pathogens
 - Pruritus
 - Repellent
1. Try to write a scientific text in the parasitology field, using the previous words;
 2. Give a title for the text;
 3. Use references to support your text;
 4. Mention which citation style you have used;
 5. Finally do not forget to insert the list of references.
